The overall aim of Friends of Kilmoyle is to fundraise throughout the year to help provide additional resources and equipment thus improving the learning environment for all children at Kilmoyle Primary School.

Friends of Kilmoyle PTA are a small number of parents/caregivers and teachers who give their time freely by attending monthly meetings and volunteering at events. However, we are supported by the whole school community.

The objective of Friends of Kilmoyle is to organise fundraising events and activities which are inclusive to all. We also access funding and grants on behalf of Kilmoyle Primary School when applicable.

Within 2022/2023 Friends of Kilmoyle were able to support the school by providing the following

- P7 Hoodies in the new school term
- 5 interactive whiteboards
- Outdoor play trail
- Easter Eggs for all children
- Christmas treat for all children
- Commemorative Kings Coronation Gift for all children.

I can confirm that our Charity has no assets and liabilities.
