Public Benefit

The objectives of the Trust are as listed. The Trust has considered the UK Charity Commission's guidance on public benefit and plans to ensure that it provides public benefit and achieves its objectives as set out in the Trust's Memorandum and Articles of Association.

Structure, Governance and Management

Governing Document

Fountain Street Community Development Association is governed by its Memorandum and Articles of Association.

Appointment of Trustees

The Charity Trustees are also Directors of the company. A Trustee is initially elected by the Board in accordance with the Memorandum and Articles of Association.

In the financial year no new Trustees were appointed and none resigned. The Board as a whole was approved by the AGM and continues to monitor its membership.

Organisation

The Board of Trustees which administers the Trust meets throughout the year as required.

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JANUARY 2025

Risk Review

The management committee has conducted its own review into the major risks to which the charity is exposed. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charitable company.

Financial Review

The Company returned a net deficit in funds of £ (881) (2024 - £12,930) after other recognised gains and losses. The results for the year are shown in pages 8 to 18.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level which will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of funding has been maintained throughout the year.

The Trust aims to continue to increase reserves to ensure the stability of its services, employment and everyday operations of the organisation.

Going Concern

The Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future.

- Current levels of financial performance by comparison with budgeted expectations;
- Continuing support from local bodies

Accordingly, the Trust continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Independent Examiners

A resolution for the reappointment of Gerald Kelly as Independent Examiner of the Trust is to be proposed at the forthcoming Annual General Meeting.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 JANUARY 2025**

Statement of Trustees' Responsibilities

The Trustees, who are also the directors of Fountain Street Community Development Association for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

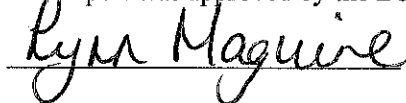

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and accounting estimates that are reasonable and prudent; and
- Prepare the accounts on the going concern basis unless it is inappropriate to assume that the company will continue on that basis.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

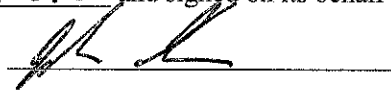

Statement of Disclosure to Independent Examiners

So far as the Trustees are aware, there is no relevant information of which the company's independent examiners are unaware. Additionally, the Trustees have taken all the necessary steps that they ought to have taken as Trustees in order to make themselves aware of all relevant information and to establish that the company's independent examiners are aware of that information.

This report was approved by the Board on 28/05/25 and signed on its behalf by:

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

INDEPENDENT EXAMINERS' REPORT TO THE MEMBERS OF FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

We report on the accounts of the company for the year ended 31st January 2025, which are set out on pages 8 to 16.

Respective Responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 65 of the Charities Act;
- to follow procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiners' report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those records
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiners' statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST JANUARY 2025

1. Accounting Policies

Charity Information

Fountain Street Community Development Association is a private company limited by guarantee incorporated in Northern Ireland. The registered office is 41 Fountain Street, Strabane, Co Tyrone. The company is registered with The Charity Commission for Northern Ireland with the Charity Number 107634.

1.1 Accounting Convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)"(as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going Concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

1.4 Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of Covenant is recognised at the time of the donation.

Investment income represents bank interest receivable during the year.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other related taxes.

1.5 Resources Expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure on charitable activities includes the costs of services undertaken to further the purposes of the charity and their associated support costs.

1.6 Tangible Fixed Assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual value over their useful lives on the following bases:

Freeholds	2% Straight Line
Fixtures and fittings	20% Straight Line

The gain or loss arising on the disposal of an asset is determined as the difference between the sales proceeds and the carrying value of the asset, and is recognised in net income / (expenditure) for the year.

1.7 Impairment of Fixed Assets

At each reporting date, the charity reviews the carrying amounts of its tangible fixed assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

1.8 Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial Instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

De recognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

FOUNTAIN STREET COMMUNITY DEVELOPMENT ASSOCIATION

1.10 Employee Benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2. Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
