

## Tullycarnet Community Football Club April 22 – March 23

### Apr - June

The first quarter of the year saw our football season end. During the close season we had a 3-day multi sports programme funded by the Northern Ireland Policing Board. This was a great success and gave the kids an opportunity to interact with a local sporting Hero in Former Linfield player and manager David Jeffrey. After a successful fundraising event we purchased the VEO cam which enables us to start recording games for use in helping the teams develop individually and collectively as a team.

## July – Sept

During this period, we were able to get a Glasgow Rangers Soccer Camp for the junior section to enjoy. All teams after the conclusion of their seasons enjoyed a celebration night at Castlereagh Hills golf Club.

## Oct – Dec

October had all teams back into their new seasons. With the junior section increasing this now gave us teams across 3 different leagues. During the school mid term break we took 25 kids on a 2-day residential to Portrush for some football and fun.

Jan – Mar

After the Christmas break, we returned to our leagues to continue the season. This proved to be a successful period for most of our teams with both junior teams and senior teams reaching and winning finals.
