The ambition of the Menshed is to provide an opportunity to come together informally and choose a practical activity at a safe, friendly, and inclusive venue. The outcomes we pursue in this ambition are to tackle social isolation and support physical and mental wellbeing. The range of output delivered this year have gone a long way to delivering this for members and the feedback has been positive. The increase in uptake (now including women) shows that these programmes work. We continually monitor these programmes and adjust as necessary.
The Menshed could not function without the help and support of the local community, the range of funding bodies and donors which have input to the plans this year including Lurgan Credit Union, ABC Council and PHA/Clear funding.
