Elders

Mr Steve Auld (Pastor)
Mr Simon Farewell (Assistant Pastor)
Dr Jim Davison
Mr Clifford Manley

Deacons

Ms Joanne Adair (Church Secretary)
Mr Chris Cardwell
Mr Jason Cardwell
Mr Jonathan Graham
Dr Rachel Graham
Mr Cameron Grieve
Dr Stephen Hogg
Mr Gareth McKillen
Mr Martin Moorcroft
Mr Robert Patterson (Church Treasurer)

Appointment of Charity Trustees

Given the nature of their responsibilities, appointed Elders and Deacons (collectively referred to as the "Office-bearers") serve as the charity trustees. Appointment to the role of Charity Trustee terminates on cessation of holding the Office of Elder or Deacon. Any elected Office-bearer who is disqualified by law from acting as a Charity Trustee retains the Office of Elder or Deacon and discharge the duties of that post. There must be a minimum of three Charity Trustees at all times.

Role

The role of charity trustees is set out in the church constitution adopted in August 2019:

- The charity trustees are responsible for the governance of the Church and the fulfilment of the purpose as stated in Clause 2 of the constitution, acting according to the will of God as discerned by the Church Members' Meeting and in accordance with the specific and general directions of that Meeting.
- The Charity Trustees ensure, in accordance with the instruction of the Church Meeting, that:
 - the appropriate level of insurance for building, public and employer's liability is held; and
 - all properties including those held on separate property trusts, (except those buildings that are required to be kept in repair and insured by a tenant) are kept in the appropriate state of repair.

Meetings and Quorum

There must be a minimum of two full meetings per year. There shall not be fewer than two persons, or half of the number of appointed trustees (whichever is the greater number) present at a full meeting of the trustees. In addition to the meetings of the whole group, the charity trustees may meet in such sub-groups as are necessary and convenient. Reports of such subgroup meetings must be made to the next full charity trustees Meeting.

GREAT VICTORIA STREET BAPTISTS CHURCH

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

Office-Bearers

The Church recognises two spiritual offices within the Church: Elders and Deacons.

Elders

Elders are responsible for overseeing the affairs of the Church, with particular responsibility for spiritual matters, by being servant leaders and shepherds of the flock of God; teaching, caring for and protecting the Church from error.

Those eligible to serve as Elders shall:

- be chosen from the male (according to biological gender/sex at birth) membership of the Church;
- display the necessary qualifications as laid out in 1 Timothy 3 and Titus 1;
- be in membership of the Church for at least two years;
- be in good standing with the Church; and
- affirm and hold unreservedly the Doctrinal Statement of the Church

With the exception of a Pastor, Elders serve a period of five years, and are eligible for re-election.

Candidates for the Office of Elder are nominated in writing by two church members (one of whom should be an Elder) at least three weeks prior to the church meeting at which the election of Elders is to take place (usually in March). The election of Elders is by ballot vote and requires a two-thirds majority of those present and voting at the meeting.

Within the role of Elder, the Church recognises the gift of Pastor to prepare God's people for service that the Church might be built up. A Pastor shall:

- be chosen from the membership of a church of like faith and order;
- display the gift and qualifications of Elder as set out in Clause 5.1.2 of the Church Constitution; and
- affirm and hold unreservedly the Doctrinal Statement of the Church

When appointing a Pastor, the selection committee proposes a name to the Church at a special meeting of the Church where the call of a Pastor is to be considered. The appointment of a Pastor is by ballot vote and require a two-thirds majority of the entire membership as set out in the Church Trust Deed. If the majority at the special meeting of the Church is greater than seventy-five percent in favour, but less than the total required by the Church Trust Deed, assent forms may be given to those members unable to be present at the special meeting.

The terms of the Pastor's appointment shall be negotiated by the Office-bearers according to guidelines approved by the Church.

Deacons

The duties of Deacons, while spiritual in nature, include the administration of the affairs of the Church to ensure the smooth, ordered and efficient running of church life and the practical care of the members.

Members to be considered for appointment as Deacons shall:

- display the necessary qualifications as laid out in 1 Timothy 3;
- have been, ideally, in membership of the Church for a period of at least two years;
- be in good standing with the Church; and
- affirm and hold unreservedly the Doctrinal Statement of the Church (see Clause 3).

Deacons serve a period of three years but are eligible for re-election.

Candidates for the office of Deacon are nominated in writing by two church members at least three weeks prior to the church meeting at which the election of Deacons is to take place. Persons nominating candidates must first obtain their consent. The election of Deacons is by ballot vote and require two-thirds of those present and voting.

The Office-bearers commend two church members for appointment to the roles of secretary and treasurer who also hold the role of Deacon.

GREAT VICTORIA STREET BAPTISTS CHURCH

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

Office-bearers' Meetings

The Office-bearers shall normally meet each month, with the exception of July and August. The date of each meeting shall be set at the previous meeting at the latest. Office-bearers' Meetings may be convened to consider matters of urgency arising between the monthly Meetings.

The quorum for Office-bearers' meetings shall not be fewer than two persons, or half of their number, whichever is the greater number.

The Church Secretary shall service the monthly Office-bearers' Meetings with minutes being circulated in a timely fashion.

The Church Treasurer shall report to the Office-bearers each month on the current financial position of the Church.

Elders shall meet separately to consider those matters which affect the spiritual life of the Church.

Achievements and performance

The Church regularly gathers for public worship, prayer, Bible study, preaching and teaching for all age groups, and provides pastoral care to the Church family through visitation and prayer. We organise meetings and events to proclaim and demonstrate with our lives our belief in Jesus Christ as Lord. The Church conducts evangelistic and outreach mission activities and supports other Christian organisations and charities through volunteering, financial gifts and prayer; and providing pastoral and financial support to our missionary family.

2023 has been another encouraging year for us at Great Vic and the words of the following hymn come to mind:

Now thank we all our God
with heart and hands and voices,
who wondrous things has done,
in whom his world rejoices;
who from our mothers' arms
has blessed us on our way
with countless gifts of love,
and still is ours today.

Worship

On Sunday mornings this year we finished the book of Daniel early in the year before moving into an extended series on the book of Galatians entitled "Christ is Enough." How great it was to rejoice in the sufficiency of Christ throughout that series. In the Summer months we studied Psalm 119 and then the book of Habakkuk before launching out into the deep waters of Revelation with a new series entitled, "The Presence of the Future." Our Sunday morning ministry has been helpfully complemented by our assistant pastor Simon's evening series from Acts entitled "Witnesses to the Ends of the Earth," and from Genesis entitled, "God's Good Purposes" a study in the life of Joseph. The Word has been living and active among us and it is encouraging to hear of people being ministered to by the Spirit of God through his Word. All this has been reinforced in our midweek prayer times and small group Bible studies as we gather to seek the Lord and encourage each other.

Highlights

So many people work so hard to serve in so many ways at Great Vic and there is a very real sense that we are in this work together and that God is at work among us. Particular highlights from the year include:

- The running of Hope Explored - a three-week evangelistic Bible study
- Our growing crèche and Sunday school ministry
- Summer outreach including Bounce, our children's Bible Club in the Sandy Row and Donegall

Road areas

- The start of a new Men's Breakfast ministry
- The appointment of a pastoral intern
- The continued progress of our building project
- A further 9 members being added to our fellowship including three family units with eight children among them. We also celebrated four baptisms towards the end of the year.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2023

Church Family

It was with joy and excitement that we welcomed two new lives into the church and celebrated the marriage of two members of the congregation. We also remember with joy and thanksgiving four of our members went home to be with the Lord. We give thanks for their love and dedication to the fellowship over many years, serving in various ways including Sunday school, Baptist Women's Fellowship and Campaigners.

Their combined membership totaled over 250 years! What a wonderful testimony to Christian women at Great Vic.

Missions

The missionary weekend was held between 14th and 15th October with this year's focus being "The Unreached within Reach." We considered how God has brought peoples from hard-to-reach places now within reach opening a wonderful door of opportunity for mission and evangelism on our doorstep. We also heard about the work at Blackrock Community Church, Dublin. The Sunday evening was a wonderful internationally themed, multi-lingual praise evening where we rejoiced that we are part of God's global Church.

We continue to support missionaries who have gone out from Great Vic to serve in Portugal, Peru, Kenya and Madagascar as well as supporting a church member currently training at Bible College in the Netherlands.

At the close of another year we can again say, "The Lord has done good things for us and we are glad" (Psalm 126:3).

Financial review

The net income for the year amounted to £405,107 (2022: £35,534), of which a net income of £35,420 is attributable to unrestricted reserves which now stand at £168,137(2022: £132,717) and a net income of £369,687 is attributable to restricted reserves.

Plans for future periods

We look forward to another year with confidence and are particularly excited as we work towards the redevelopment of our church site. This is a significant undertaking but we believe that God will be with us as we move toward building fit for purpose premises which will best serve the congregation and the community around us.

Public Benefit

The direct benefits which flow from the purpose include:

- Eternal salvation and adoption into the family of God through the Gospel of Jesus Christ;
- The spread of the Gospel of Jesus Christ, bringing reconciliation both between human beings and God and between human beings;
- The gaining of an understanding in Christian beliefs as set out in the Bible and the Doctrinal Statement of the Church leading to spiritual and moral development and personal growth in the Christian faith;
- The provision of regular Christian education, helping people to understand, live out, defend and promote the Christian Gospel of Jesus Christ;
- Practical expressions of Christian beliefs and standards in the local community such as through the care of those in need, assistance and comfort to the sick, elderly and bereaved;
- The development of individual ability and gift through the engagement of willing volunteers in practical and spiritual service; and
- The positive impact on society that comes from the living out of the Christian worldview.

GREAT VICTORIA STREET BAPTISTS CHURCH

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2023

The benefits arising from the purpose will be demonstrated through:

- The number of those attending activities and events and directly benefiting each week from Bible teaching and corporate worship;
- The leaders and helpers mobilised each week through various programmes and the positive contributions of members within the wider community; and
- The effective pastoral care supporting both families and individuals.

This will be evidenced through regular evaluation, annual reports and informal feedback from members and those attending the events, their families and the general public within the community in which the Church operates.

The Trustees do not anticipate that any harm will flow from any of the above purposes.

The Church's beneficiaries are:

- Church Members, Associate Members and Adherents, and anyone who chooses to attend church services which are open to members of the general public;
- other individuals that the Church is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland; the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and secular organisations.

The only private benefits flowing from our purposes are the provision of a stipend for any pastor of the Church who will also assume the role of Trustee and paid employment for the personnel required to manage the work of the Church.

Any Trustee appointed by the Church as a member of the Missionary Family will be entitled to financial support from the Church according to the Church Missionary policy. Such stipend, salaries, support and any incurred expenses are incidental to enable the Church to provide the pastoral and administrative support required to fulfil the stated Purpose.

Statement of trustees' responsibilities

The trustees are required to prepare the trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Northern Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent; state whether applicable accounting standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

GREAT VICTORIA STREET BAPTIST CHURCH

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GREAT VICTORIA STREET BAPTIST CHURCH

Opinion

We have audited the financial statements of Great Victoria Street Baptist Church for the year ended 31 December 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act (Northern Ireland) 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the 's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

GREAT VICTORIA STREET BAPTIST CHURCH

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GREAT VICTORIA STREET BAPTIST CHURCH

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the management committee report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 165(3)(b) of the Charities Act (Northern Ireland) 2008 and report in accordance with regulations under section 66 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- the nature of the organisation and sector, control environment and performance;
- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the charity's documentation of their policies and procedures relating to:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
 - the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
 - the matters discussed among the audit engagement team and relevant internal specialists where necessary regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

We developed an understanding of the key fraud risks to the entity (including how fraud might occur), the controls in place to help mitigate those risks, and the accounts, balances and disclosures within the financial statements which may be susceptible to management bias.

GREAT VICTORIA STREET BAPTIST CHURCH

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GREAT VICTORIA STREET BAPTIST CHURCH

We also obtained an understanding of the legal and regulatory frameworks that the charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Charities Act (Northern Ireland) 2008 and Taxation Legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charity's ability to operate or to avoid a material penalty.

As a result of performing the above our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements,
- enquiring of management concerning actual and potential litigation and claims,
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud,
- reading minutes of meetings of those charged with governance and reviewing correspondence with HMRC,
- addressing the risk of fraud through management override of controls by testing the appropriateness of journal entries and other adjustments, assessing whether the judgements made in making accounting estimates are indicative of a potential bias, and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, including internal specialists, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [https:// www.frc.org.uk/auditorsresponsibilities](https://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements have been prepared in accordance with the "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" as amended for accounting period commencing from 1 January 2016. The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the

financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the trustee has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
