

**Fivemiletown United Football Club**  
**Annual Trustee Report 2021/22**  
**Charity Number NIC 107752**

The organisation's purpose is to advance amateur football. It specifically aims to create a secure environment where members can play football and to promote sport by promoting participation in activities; offering members appropriate competition, helping members raise their individual sporting standards, organising local games of football, and ensuring that all members of the community have an equal opportunity to participate successfully.

Although the club's activities have an impact on the larger Tyrone and Fermanagh regions, the residents of the Fivemiletown area are the primary beneficiaries of this goal. The club continued to focus on strengthening and making sure that our governance structure remained appropriate throughout 2021–22.

The management of the club's financial status remained favourable thanks to the ongoing execution of our development plan, enhanced business sponsorship, and further successful grant applications. At the close of the financial year, the club was getting ready to take on the challenges of COVID 19. These were uncertain times for the club both on and off the field, with concerns over club activities, member support, and financial difficulty due to the loss of revenue from anticipated fundraising events.

In order to address the demands of our members, the club has continued to develop its plans for new sports facilities by developing a club identity as highlighted by its members.

The club has maintained its youth structure by maintaining the number of volunteers to support all age group coaches from age U6 to U19's

The Club organised a variety of fundraising activities throughout the year to help with continuing operating expenses and to brace itself for costs associated with our anticipated new facility development. A street collection, a holiday competition, a club raffle, a club awards evening, and Last Man Standing were among these occasions.

In order to offer much-needed equipment, our club collaborated with other clubs in the area to successfully complete an application for a partnership funding award.

Through the successful application of grant funds, our club was able to support the provision of additional equipment, training, insurance, youth tournaments, venue hiring, and the completion of club development plans.

Our club was also recognized with the Queen's Award for Volunteers, the highest award for volunteer work.

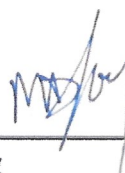

The trustees are satisfied that the club's finances are being managed and reported in a satisfactory manner. The committee meetings, which are conducted monthly, provide regular updates. Minutes of these meetings are recorded and formally signed by the chair.

The Annual General Meeting is held in accordance with the Constitution's rules.
