### **1. Accounting Policies**

#### **1.1. Accounting convention**

The financial statements are prepared under the historical cost convention and are prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and follow the recommendations in Accounting and Reporting by Charities: Statement of Recommended Practice (issued March 2005).

The charity has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small charity.

#### **1.2. Income resources**

Income from donations, fundraising and grants is included in incoming resources when these are received.

When donors specify that donations and grants are for a particular restricted purpose, which do not amount to preconditions regarding entitlement, this income is included in incoming resources of restricted funds when received.

#### **1.3. Interest Receivable**

Interest is included on a receivables basis by the charity.

#### **1.4. Resources expended**

Resources expended are included in the Statement of Receipts and Payments on a payables basis.

Unrestricted funds relate to general funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

## 8. Going Concern

In common with all community groups in Northern Ireland, the group continues to experience difficulties in securing long term funding. However, in view of the grants awarded and with volunteer support, the trustees are confident that the group can continue its activities and are therefore satisfied that it is appropriate for the financial statements to be prepared on a going concern basis.
