**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF MAGHERA PARISH CARING ASSOCIATION
(A COMPANY LIMITED BY GUARANTEE)**

I report on the financial statements of Maghera Parish Caring Association for the year ended 30 April 2024 which are contained within the 2024 Annual Report.

Respective responsibilities of trustees and independent examiner

Maghera Parish Caring Association's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities Act (Northern Ireland) 2008.

Maghera Parish Caring Association's trustees consider that an audit is not required under section 65(2) (audit) of the Charities Act (Northern Ireland) 2008 for the year and that an independent examination under section 64(1) of the Charities Act (Northern Ireland) 2008 is required.

It is my responsibility to:

- examine the accounts
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out under Section 65 of the Charities Act (Northern Ireland) 2008. An examination includes a review of the accounting records kept by the Church and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep proper accounting records in accordance with Section 63 of the charities Act (Northern Ireland) 2008, and
- to prepare financial statements which accord with the accounting records in accordance with Section 64 of the Charities Act (Northern Ireland) 2008 have not been met; or

**NOTES TO THE ACCOUNTS
for the year ended 30 April 2024**

1. ACCOUNTING POLICIES

General information and basis of preparation

Maghera Parish Caring Association is a charitable company limited by guarantee and not having a share capital and is registered in Northern Ireland. The address of the registered office is given in the charity information on page I of these financial statements.

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

The charitable company constitutes a public benefit entity as defined by FRS 102.

Statement of compliance

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and applicable accounting standards, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102 Section 1A), the charity's governing document, the Charities Act (Northern Ireland) 2008, Charities Act (Northern Ireland) 2013, The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015, Companies Act 2006 and UK Generally Accepted Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. The directors consider that these policies are suitable, have been consistently applied and are supported by reasonable and prudent judgements and estimates.

FUND ACCOUNTING

The charity has various types of funds for which it is responsible, and which require separate disclosure. A definition of the various types of funds is as follows:

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific charitable activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

MAGHERA PARISH CARING ASSOCIATION
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE ACCOUNTS (cont'd)
30 April 2024

Unrestricted funds are funds which are expendable at the discretion of the Charity in furtherance of its objectives. In addition to expenditure on activities such funds may be held in order to finance capital investment and working capital.

Designated funds are general funds set aside by the trustees for use in the future.

INCOMING RESOURCES

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably, and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity, and it is probable that they will be fulfilled.

Voluntary income received by way of donations and gift is credited to revenue on a receivable basis.

The charity receives grants in respect of support services. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received, and the amount can be measured reliably.

If entitlement is not met, then these amounts are deferred. Revenue grants are credited to incoming resources on the earlier date of when they are received or when they are receivable unless they relate to a specified future period.

Other income represents income that cannot be reported under the other analysis headings provided within the SoFA.

(i) Incoming resources with related expenditure

Where incoming resources have related expenditure (as with insurance proceeds) the incoming resources and related expenditure are reported gross in the SoFA.

MAGHERA PARISH CARING ASSOCIATION
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE ACCOUNTS (cont'd)
30 April 2024

(ii) Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

(iii) Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

(iv) Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

(v) Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

(vi) Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

(vii) Investment income

This is included in the accounts in the period to which it relates.

(viii) Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. It is categorised under the following headings:

- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries and includes salary costs, support service expenses, and an apportionment of support costs;
- Other expenditure represents those items not falling into the categories above.

MAGHERA PARISH CARING ASSOCIATION
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE ACCOUNTS (cont'd)
30 April 2024

(i) Liability recognition

Liabilities are recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably.

(ii) Governance costs

These are shown within charitable activities and include the costs of preparation and examination of accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

(iii) Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

(iv) Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

(v) Support costs

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs.

They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings, they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on a basis consistent with the use of the resources. Staff costs and other overheads have been allocated based on time spent, per capita and activity.

Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

Value Added Tax

The charity is not registered for VAT purposes, therefore expenditure is shown gross of VAT.

ASSETS

(i) Tangible Fixed Assets

The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition. Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used are as follows:

Long Leasehold	10% straight line
Fixtures and fittings	10% reducing balance

In accordance with FRS102, assets under construction are not depreciated until such times as they are available for use.

Where the recoverable amount of a fixed asset is found to be below its net book value, the asset is written down to the recoverable figure and the loss on impairment is recognised in the SoFA.

(ii) Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Leases

Rentals payable under operating leases are charged to the SoFA on a straight-line basis over the period of the lease.

Tax

As a charity, the company benefits from various exemptions afforded by tax legislation. It is therefore not liable to corporation tax on income or gains falling due within those exemptions. Recovery is made of tax deducted from receipts under gift aid.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Judgements and key sources of estimation uncertainty

The following judgements including those involving estimates have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:
