

# WATCHMEN FELLOWSHIP CENTRE

## ANNUAL REPORT

For the Accounting Year Ended 31/07/23

Company No: NI646998

Charity No: NIC 107193

---

### **Aim and Purpose**

Watchmen Fellowship Centre aims to advance religion in Northern Ireland as identified in the memorandum and articles of association.

### **Objectives and Activities**

To effectively lead people of all ages to salvation in Jesus Christ, and encourage them to develop a relationship with God. To reach the unchurched, unsaved, and people who have no knowledge or relationship with the God of the Bible. To minister to people through prayer, the teaching of the word, outreach campaigns, church services, community outreaches, and projects.

### **Achievements and Performances**

Worship and Prayer

WFC offers a range of services weekly over the year. Our services are held physically at our premises and are open to people in our community. The services are publicised through flyers and social media campaigns. Some of our services are streamed online, where we have gained online participation across the world.

---

---

WFC services provide a rich session of prayers, worship in solemn songs, praise, and the preaching and teaching of the Bible. Services highlights include personal prayers and congregational prayers. Our programmes are broken down into weekly, monthly, quarterly, and yearly. Weekly services include Bible studies, Sunday services, Youth services, and Sunday school for young children. Monthly services include Soaking Prayer Services, House Fellowships, Evangelism Outreaches, and Prayer Vigils. Our quarterly program features the Women’s Conference, and yearly, we organize food outreach where we share food parcels with members of the church and selected community organisations.

This year has been successful as we have welcomed more families into the church. New migrant families and students have become part of our community. Young people in the church have become more actively involved by taking leadership roles during youth services.

During WFC food outreach this year, we donated to three community organisations to support their work in the areas of homelessness, and food poverty. Each family in the church also received a food parcel.

The board of Directors continues to meet regularly to ensure the church continues to run and meet the aims and objectives following WFC’s memorandum and articles of association.

**Approved by WFC on the 27th of May 2024 and signed on**
