

# LARGYMORE TEMPERANCE JUNIOR

## CHAIRPERSON REPORT 2026

### Chairperson Report

I would like to take this opportunity to thank all our existing members and volunteers for their hard work throughout the year. This has been a busy year with people coming back into the community and joining in with our activities and bringing a diversity within our group. Our members and volunteers have completed courses which helps them in future employment and the running of our group.

### Festival 2025

The festival last year was very successful and the feedback is very promising for future events. The turnout was brilliant; I would like to thank the community for support at this and other events. The festival had a visit from Santa on his sleigh, Christmas trail and other events. The volunteers that helped all joined in with their family, which give us a chance to recruit more volunteers from the local area. We also have organised educational trips other activities.

### Children And Young People

Several activities were offered at the festival for our young people. Throughout the year we put on a several educational trips and courses. We believe this will give them confidence to join in with the community young and old communicating to together as a community. With the local community getting involved the young people are asking about other activities its looking good.

### Partnership Working

During the year we have continued our partnership working with other organisations within the local area eg; Hillhall Regeneration, Cathedral, Lisburn and Castlereagh City Council and other local groups. We are still using the Robert Watson Memorial Hall and thank the hall committee for all their support throughout the year.

Mrs Carolyn Kirkpatrick

A handwritten signature in black ink, appearing to be "C. Kirkpatrick", written over a light blue horizontal line.
