Structure, Governance and Management

Structure

Dromara Community Group is a company limited by guarantee. It is governed by its memorandum and articles of association dated 20th March 2013. The company is also registered as a charity with HM revenue and Customs under ref XR39197 and has yet to be called for registration by the Charity Commission for Northern Ireland.

The company is under control of the directors who are, therefore, acting trustees for the charity.

Public Benefit

The benefits which flow from the purpose include reducing rural isolation among residents, enabling residents to develop supportive social networks, supporting residents to develop new knowledge and skills and providing opportunities to enjoy local facilities, improve social cohesion and maintain positive mental and physical health. These benefits will be evidence through word-of-mouth and other means of feedback such as online polls in social media, completing surveys, and comments/conversations with local residents including suggestions for future activities and events. In carrying out events and activities including providing facilities for sport, there is always a risk to participants however, we ensure appropriate policies and training for activity leaders and volunteers that maintain safe standards which ensure the benefits outweigh and mitigate risks. The organisations beneficiaries include local residents across three boroughs for all age groups from under fives to over 65 years old irrespective of age, gender, ethnic origin, sexual orientation, etc. A private benefit stemming from our activities includes stall holders gaining a wider customer base and activity leaders/groups broadening their audience profile. However, this is incidental but necessary to the success and growth of the organisation's purpose.

Review of Activities, Achievements and Performance

The principal activity of the Charity is to provide facilities and create opportunities for coming together to meet the needs of the local community of Dromara Village and surrounding districts without distinction to age, sex, race, religious or other opinion.

Financial Results

At the end of the financial year the company has assets of £158,932 (2023 - £160,823) and liabilities of £661 (2023 - £601). The net assets of the company have decreased by £(1,951).

Reserves Position and Policy

The trustees continue to monitor and update their reserves policy in order to establish the level of reserves that are required to continue to provide support and investment into all the projects for the next twelve months.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

for the financial year ended 31 December 2024

The trustees, who are also directors of Dromara Community Group for the purposes of company law, are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the trustees as the directors to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A (Small Entities). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF DROMARA COMMUNITY GROUP

I have examined the financial statements of the company for the financial year ended 31 December 2024, which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet and the related notes.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. My work has been undertaken so that I might compile the financial statements that I have been engaged to compile, report to the Board of Trustees that I have done so, and state those matters that I have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for my work, or for this report.

Respective responsibilities of trustees and examiner

The company's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006. The company's trustees consider that an audit is not required for this financial year and that an independent examination is required.

It is my responsibility to:

- examine the financial statements under section 145 of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

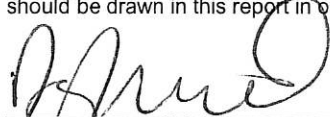

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006
- the financial statements do not accord with those accounting records
- the financial statements do not comply with the accounting requirements of the Charities Act
- the financial statements have not been prepared in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)
- there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
