**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 MARCH 2024**

**1. ACCOUNTING POLICIES**

**General information**

The charity constitutes a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. as defined by FRS 102. The address of the principal office is Yrcd Hall, 30 St Aubyn Street, Belfast, BT15 3QF.

**Statement of compliance**

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and applicable accounting standards, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102 Section 1A), the charity's governing document, the Charities Act (Northern Ireland) 2008, Charities Act (Northern Ireland) 2013 , The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015, and UK Generally Accepted Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. The trustees consider that these policies are suitable, have been consistently applied and are supported by reasonable and prudent judgements and estimates.

**FUND ACCOUNTING**

The charity has various types of funds for which it is responsible, and which require separate disclosure. A definition of the various types of funds is as follows:

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific charitable activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

**CASTLE COMMUNITY TRUST**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE ACCOUNTS (CONT'D)**

**31 MARCH 2024**

Unrestricted funds are funds which are expendable at the discretion of the Charity in furtherance of its objectives. In addition to expenditure on activities such funds may be held in order to finance capital investment and working capital.

Designated funds are general funds set aside by the trustees for use in the future.

**INCOMING RESOURCES**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably, and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity, and it is probable that they will be fulfilled.

Voluntary income received by way of donations and gift is credited to revenue on a receivable basis.

The charity receives grants in respect of support services. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received, and the amount can be measured reliably.

If entitlement is not met, then these amounts are deferred. Revenue grants are credited to incoming resources on the earlier date of when they are received or when they are receivable unless they relate to a specified future period.

Other income represents income that cannot be reported under the other analysis headings provided within the SoFA.

**CASTLE COMMUNITY TRUST**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE ACCOUNTS (CONT'D)**

**31 MARCH 2024**

**EXPENDITURE AND LIABILITIES**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. It is categorised under the following headings:

- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries and includes salary costs, support service expenses, and an apportionment of support costs;
- Other expenditure represents those items not falling into the categories above.

**(i) Liability recognition**

Liabilities are recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably.

**(ii) Governance costs**

These are shown within charitable activities and include the costs of preparation and examination of accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

**(iii) Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**(iv) Grants payable without performance conditions**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

**CASTLE COMMUNITY TRUST**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE ACCOUNTS (CONT'D)**

**31 MARCH 2024**

**(v) Support costs**

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs.

They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings, they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on a basis consistent with the use of the resources. Staff costs and other overheads have been allocated based on time spent, per capita and activity.

**Employee benefits**

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

**Value Added Tax**

The charity is not registered for VAT purposes, therefore expenditure is shown gross of VAT.

**(i) Tangible Fixed Assets**

The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition. Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used are as follows:

Fixtures and Equipment	15% Reducing balance
------------------------	----------------------

In accordance with FRS102, assets under construction are not depreciated until such times as they are available for use.

Where the recoverable amount of a fixed asset is found to be below its net book value, the asset is written down to the recoverable figure and the loss on impairment is recognised in the SoFA.

**(ii) Investments**

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

**CASTLE COMMUNITY TRUST**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE ACCOUNTS (CONT'D)**

**31 MARCH 2024**

**Leases**

Rentals payable under operating leases are charged to the SoFA on a straight-line basis over the period of the lease.

**Tax**

The charity benefits from various exemptions afforded by tax legislation. It is therefore not liable to corporation tax on income or gains falling due within those exemptions. Recovery is made of tax deducted from receipts under gift aid.

**Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**Judgements and key sources of estimation uncertainty**

The following judgements including those involving estimates have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

- depreciation method and asset useful lives

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.
