Activities:

Our activities during the year were to support our friends and neighbours from the Mountfield area and provide an interest to the wider community of the tradition and culture of Ulster Scots. We have held a night to Celebrate Robbie Burns in Feb also and indoor picnic event in July for families and in September we hosted a very successful breakfast and walk and talk event that attracted over 100 people of all ages. To finish of year we held a very successful Pool tournament.

Achievements:

Just coming out of covid-19 pandemic and encouraging some of our normal activities to resume, we feel the past year has successfully reached out to many rural people and offered both social interaction and cultural learning experiences. We have also achieved charitable status and are looking forward to working with other agencies and voluntary groups so that we can develop and deliver successful projects and ways of communication.
