

GARRYMORE RESIDENTS ASSOCIATION Trustee REPORT 6TH APRIL 2023-5TH APRIL 2024

Garrymore Residents Association continued to provide activities for the residents of our community to help improve their wellbeing but also to bring people together and connect with neighbours.

Like the previous year, we organised community events for all the local residents in summer time and Christmas as well as providing each household a box of biscuits at Christmas as a thank you for supporting us.

We held similar activities which included mobile farm, inflatables, facepainting, refreshments, dancing, pumpkin carving, arts and crafts and garden games.

We received funding from ABC Council(FAP) and Lottery (Awards for All) to run these community events which again brought everyone together, helping to get to know our neighbours.

We were successful in getting funding to get a defibrillator installed in the estate and training for residents.

We purchased:

Pop up Gazebo

Patio Heater x 2

BBQ

Signed: Sean Collins (Chairperson)
