

Mallusk and District Community Support Trustees report covering 1st March 2022 to 28th February 2023

Compiled by Sarah Walsh Secretary on behalf of the above mentioned group based at HydePark war memorial orange hall 106 Mallusk Road BT364qe charity number 108147

This report has been compiled as a tool in which can later be used to measure success and identify strengths and weaknesses along with meeting our statutory duty at the Charity Commission NI. This is a reminder that we are a fully constituted group and adhere to the rules and regulations around the governance. Our trustee board was democratically voted in when the application was submitted to the charity commission via a vote at our full meeting

During this year we met all the criteria of our aims and objectives that was set out when the group was established and our core ethos of "supporting the people of Mallusk" During the year we met with elected reps both at council and Mila levels and discussed issues that needed addressing and got resolve, we carried out our fun days at Easter July Halloween and . We worked with our community and met their requested needs. We also helped advocate for people requiring assistance to obtain mental health support and fresh accommodation A pretty successful year all round.

In terms of improvement moving forward it was identified that our organisation and planning needs to take place earlier this is something we want to see marked improvement in next year.
