Articlave District Community Association is a voluntary organisation which works for the benefit of the local community.

It aims to provide and continually develop the facilities it has and the services to the local community in terms of projects and opportunities.

The charity is based in a community office where the planning of projects takes place. Due to no facilities of its own the charity hires premises to facilitate the running of such projects.

These projects have included: Youth Clubs, Football Sessions, Senior Residents' Meeting and Lunching Club, Educational Projects, Health and Wellbeing, Sports and Leisure, Slow Cooker Projects, Hygiene Project, Mental Health Projects, Healthy Eating Sessions and Intergenerational Activities.

The objectives of the group are to continually improve the lives of residents of Articlave district by seeking funding streams through which community projects can be delivered.

The Trustees have had regard to the Public benefit guidance issued by the Charity Commission for Northern Ireland.
