

MONKSTOWN BAPTIST CHURCH

Trustees' Annual Report

For the year ended 31st December 2022

MONKSTOWN BAPTIST CHURCH

TRUSTEES' ANNUAL REPORT

The Trustees present their Annual Report and Financial Statements for the charity for the year ended 31st December 2022.

PURPOSE

The principal charitable object of the church is the advancement of the Christian faith according to the teachings of Scripture, understood in its historical and evangelical sense, the Doctrinal Statement and Baptist Principles.

ACHIEVEMENTS AND PERFORMANCE

The Trustees have had regard to the Charity Commission for Northern Ireland's guidance on provision of public benefit and are satisfied that they and the Church have complied with their duty in this regard throughout 2022.

As the impact of covid and associated restrictions further eased during the year, the Church carefully and prudently moved from online/socially distanced delivery, to resume pastoral care and support activities in traditional in-person settings. Such activities included:

Church Services (2 each Sunday and a midweek bible study & prayer meeting). Well attended meetings where members, adherents and visitors benefited from bible teaching, worship and praise, gospel outreach and general fellowship and encouragement.

Children's Sunday School, Children's Church and Youth Bible Class each Sunday. Children of members, adherents and visitors received bible teaching, took part in scripture verse learning, sang choruses and generally enjoyed good times of learning and fellowship.

Campaigners (Monday & Wednesday Evenings). A uniformed organisation for girls and boys aged 4-14 years. Children were taught the bible but also enjoyed learning life skills and played games and sports.

Youth Club. (Friday nights) Well attended by post primary school young people both from the church and local area. A range of active sports played using the church halls and an area provided for young people to come in from the cold and mix and socialise in a safe environment. Occasional outings were arranged and each evening included a short epilogue of Christian outreach.

"New Dawn". Our church organisation aimed at outreach to older folk, both of the church and local area, was held once monthly, with morning meetings which were very well attended and enjoyed by the community. A variety of subjects of interest were covered, always with a Christian perspective and refreshments were also served.

Parents/Carers & Tots. Held each Tuesday morning in term time in the church halls, well attended, offering care and respite to busy parents and carers of young children. Enjoyed by many.

"Open Door". Affectionately referred to as "youth club for older men", meetings were held and enjoyed once a month on Thursday evenings. Various sports were played in the halls with age-appropriate levels of competitiveness and the night rounded off with refreshments and a speaker.

Ladies Meeting. Once a month meeting aimed at the women in the church together with guests. Good times of fellowship were enjoyed along with refreshments and a speaker.

Missionaries. The church provided financial funding, prayer support and general love and encouragement to 3 missionary families from our fellowship who serve with Acre, CEF and Friends in Action NI Ltd respectively. There was also support to other missions as outlined in the financial report.

In addition to the various meetings and activities in the church, there was a considerable amount of visitation of the sick, consolation and support of members and adherents suffering bereavement and general home support visits throughout 2022 as the Pastor, together with others from the fellowship, sought to provide comfort, support and spiritual encouragement.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Monkstown Baptist Church has been in existence for over 100 years and throughout that time it has been a member of the Association of Baptist Churches in Ireland. The current constitution, which outlines the biblical basis for our beliefs and gives structure to the way in which the Church functions, was approved in October 2021. The registration of Monkstown Baptist Church with the Charity Commission for Northern Ireland was approved on 15/10/2021 and allocated the reference number NIC108254.

Management

The Trustees met each month (excluding July & August) to discuss the work of the church, to make general decisions, to instigate actions and to review finances. Detailed records were retained. Matters/decisions deemed of significant importance (for example, major church refurbishment) were referred to the bi-annual Church Members Meetings, held in March and September. Report and Accounts were also presented at those meetings.

Matters requiring approval at a Church Members Meeting is by simple majority. However, election of elders, deacons, trustees and appointment of pastors requires a two thirds majority. There are also rules regarding quorum for Trustee and Church Members Meetings.

Much of the work of the church is carried out by volunteers who lead and serve in the various sections and groups. A huge debt of gratitude is owed to all who serve so faithfully. Trustee and Church Members Meetings ensured direction and oversight of all activities.

Risk Management

The Trustees have conducted an assessment of the risks to which the charity is exposed and have reviewed systems and procedures to mitigate such risks. Risk assessments have been completed for each of the individual sections of the work as well as for the generic areas of fire, health & safety and the protection of children, young people and vulnerable adults.

Risk Management is an ongoing process and is reviewed at Trustee meetings. The church has appointed a Health & Safety Officer who is a serving trustee. In addition, the church has appointed a Safeguarding Officer (again a trustee) and a deputy. Reports are standing agenda items at monthly Trustee Meetings.

FINANCIAL REVIEW

The Church is funded by voluntary gifts and donations and use is made of Gift Aid and the Gift Aid Small Donations Scheme. The only other source of funds is an annual grant from the Education Authority towards the running of the Campaigner Clan, a uniformed organisation for girls and boys aged 5-14 years.

The Church receives both Restricted and Unrestricted Funds. Restricted Funds are monies donated to the Church for specific purposes, e.g. Missions, Youth Ministries etc. Unrestricted Funds from general offerings are used for all other purposes. Any shortfalls in Restricted Funds are made up by transfers from Unrestricted Funds.

In November 2021 work commenced to renovate all of the interior of the Church premises. The work, which was carried out largely by volunteers, was completed in September 2022. Money received from two special offerings during the year, together with existing money in the Property Fund, was sufficient to cover all of the costs involved (£128,692.74).

A special offering received at the Carol Service in December 2021 was to aid relief work among displaced people in Burkina Faso. This money (£5,045.50) was forwarded to Serving in Mission (SIM) in January 2022 to assist them in their work among these refugees.

At Easter 2022, the money raised by a special offering (£5,172.50) was forwarded to the Slavic Gospel Association. This was to assist them in their work among the churches within Ukraine, and also with displaced people in Ukraine and Poland.

The Church also makes monthly payments towards the support of 3 married couples who work with other missionary organisations, (Child Evangelisation Fellowship in Northern Ireland; ACRE Gospel Mission in Portugal; Friends in Action NI in West Africa).

The Church had no liabilities or commitments outstanding at 31 December 2022.

RESERVES POLICY

This policy on reserves has been reviewed and agreed by the Trustees. The income of the Church is stable and in the event of an unexpected financial need the Trustees are confident that members would respond accordingly. The Trustees are satisfied that a figure equating to approximately three months planned expenditure is an appropriate level of reserve balances at the present time. Cash balances at the end of the year exceeds the level of reserves deemed necessary.
