Reference and administration details

It is registered with the Companies Registrar under registration number NI614064. It is also registered with the Charity Commission N.I. under reference NIC108296. Objectives and activities

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission guidance on public benefit. The charity's principal activity continued to be the provision of community, sporting, and social facilities for the people of Craigmore District.

Governance

During the period under review the trustees met regularly. A panel comprised of existing trustees selects members for the board. Trustees serve for a one-year period and may be re-elected for a further one-year period. The trustees who served during the year to 31st August 2024 are listed on the information page.

Financial Review

The statement of financial activities for the year is set out on page 4 of the financial statements. Income for the year was £12,987 [2023: £11,888] and expenditure was £20,203 [2023: £16,357].

Reserves policy

The charity's policy on restricted funds is to separately record donations, grants, and other sources of fundraising where restrictions are imposed that are narrower than the charity's overall objectives. The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets or designated for specific purposes ("the free reserves") held by the charity should be between six and nine months of the resources expended. At this level, the trustees consider that they would be able to continue the current activities of the charity in the event of a significant drop in income.

It would also be necessary to consider how the income would be replaced, or activities changed. At the balance sheet date, the free reserves did exceed the minimum amount.

Achievement and performance

The Glen centre is used on a regular basis and continues to be a focal point for community life in the district.

Taxation

As a charity, the company is not liable for corporation tax on its income or on capital gains to the extent that these are applied to its charitable objects.
