

Friends of Chapel Road Primary School
Independent Examiner's Report 21st June 2022 - 20th June 2023

Friends of Chapel Road Primary School is a very small charity and is the Parent Teacher Association of Chapel Road Primary School. Friends of CRPS runs events to raise money to add to the school funds. Now, after gaining charity status, applications for suitable grants are being made. No grant funding secured in the last financial year.

The charity's annual accounts show modest amounts incoming from events and modest outgoing amounts.

There is nothing untoward to draw the Charity Commission's attention to in the accounts.
