# TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2024

Our vision as a church has four steps:

1. Know God (Weekend Services)
2. Find freedom (Groups)
3. Discover Purpose (Growth Track)
4. Make a difference. (Dreamteam)

Sunday Services – We continue to run two services on a Sunday morning at 11:00am & Youth & Young Adults Sunday night at 6:30pm. These services have both grown in number, from 100 - 200 people engaging in our church community weekly. Our welcome team has been working hard connecting with all the new visitors coming into these gatherings.

Groups - There are two types of groups. Interest groups and study groups. These groups meet in various locations from the church building, coffee shops and even in peoples homes. In study groups, people are actively learning more about the Christian religion and engaging in activities such as prayer and discussion.

Growth Track – we continue to run this class, we have been able to bring 50+ people through our Growth track classes. This allows people to participate in a personality test and spiritual gifts test, in order to help personal & spiritual growth and also build Self Esteem and self-awareness for the individual person.

Dreamteam – This is the core people in the church who run all our events and ministries. They also contribute to the financial running of the church. We had approximately 50 people regularly attending our Team nights, which happens quarterly.

# **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

for the financial year ended 31 December 2024

The trustees, who are also directors of R8 Church for the purposes of company law, are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the trustees as the directors to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A (Small Entities). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF R8 CHURCH

We have examined the financial statements of the charity for the financial year ended 31 December 2024, which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet and the related notes.

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Board of Trustees that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members, as a body, for our work, or for this report.

### Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006. The charity's trustees consider that an audit is not required for this financial year under Chapter 3 of Part 16 of the Companies Act 2006 and that an independent examination is required.

It is our responsibility to:

- examine the financial statements under section 65 of the Charities Act;
- follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to our attention.

### Basis of independent examiner's report

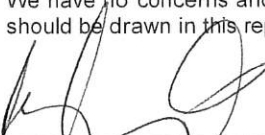

We have examined your charity financial statements as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with our examination, no matter has come to our attention which gives us cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006
- the financial statements do not accord with those accounting records
- the financial statements have not been prepared in accordance with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)
- there is further information needed for a proper understanding of the accounts to be reached.

### Independent examiner's statement

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

# NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2024

## 1. GENERAL INFORMATION

R8 Church is a company limited by guarantee incorporated in Northern Ireland. The registered office of the charity is 2a Carrickblackler Avenue, Portadown, Craigavon, Co. Armagh, BT63 5BB, Northern Ireland which is also the principal place of business of the charity. The financial statements have been presented in Pound (£) which is also the functional currency of the charity.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

### Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

As permitted by the Companies Act 2006, the charity has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

### Statement of compliance

The financial statements of the charity for the financial year ended 31 December 2017 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

### Fund accounting

The following are the categories of funds maintained:

#### Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the charity.

#### Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the charity.
- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

### Income

Income is recognised by inclusion in the Statement of Financial Activities only when the charity is legally entitled to the income, performance conditions attached to the item(s) of income have been met, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the charity.

### Income from charitable activities

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the charity. Income from government and other co-funders is recognised when the charity is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the charity is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the charity is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as

**R8 Church**

(A company limited by guarantee, not having a share capital)

**NOTES TO THE FINANCIAL STATEMENTS**

for the financial year ended 31 December 2024

income.

-Time based conditions: whereby the charity is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the charity recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the charity is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

**Expenditure**

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed, and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the charity but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measure for each activity.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Fixtures, fittings and equipment - 10% Straight line

**Debtors**

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the charity from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

**Cash at bank and in hand**

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

**Taxation and deferred taxation**

No current or deferred taxation arises as the charity has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the charity's taxable income and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
