The Trustees' report

The Trustees present their report and accounts for the year ended 31 December 2024.

Objectives, Activities and Charitable Purposes

The principal purpose of the Church is the advancement of the Christian Faith according to Biblical Principles contained within the teaching of Scripture. It exists to glorify God by maintaining and promoting His worship both individually and corporately, and acknowledges the absolute supremacy of The Lord Jesus Christ as Head of The Church. The membership of the Church seek to follow the teaching of Scripture and involve themselves in the governance of the assembly, the advancement of its aims, participation in fellowship, breaking of bread, prayer and evangelism. The Church also may seek to advance education, the relief of poverty and sickness, the comfort of the bereaved and the promotion of any other charitable purposes in the United Kingdom and other parts of the world.

Dunseverick Baptist Church conducts regular services for public worship, prayer, Bible study, preaching and teaching for all age groups, and provides pastoral care to the sick and elderly of the church through visitation and prayer. We contribute financially to registered charitable organisations whose aim is the relief of poverty and sickness.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The Trustees are satisfied that the Charity has achieved its objectives in the year under review.

 - The provision of regular Christian education, helping people to understand, live out, defend and promote the Christian gospel of Jesus Christ.
 - Practical expressions of Christian beliefs and standards in the local community such as through the care of those in need, assistance and comfort to the sick, elderly and bereaved.

positive contributions of members within the wider community; and, the effective pastoral care supporting both families and individuals. This is evidenced through regular evaluation and informal feedback from members and those attending events, their families and the general public within the community in which the Church operates. The Trustees do not anticipate that any harm will flow from any of the above purposes. The church's beneficiaries are Church Members and adherents, and anyone who chooses to attend the church services which are open to members of the general public, other individuals that the Church is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations. The only private benefits flowing from our purposes are the provision of stipend for any pastor of the church who will also assume the role of Trustee and paid employment for the personnel required to manage the work of the Church. Such stipend, salaries and any incurred expenses are incidental and necessary to enable the Church to provide the pastoral and administrative support required to fulfil the stated Purpose.
