The objective of St Ninnidh's Parent Fundraising Group (PFG) is to raise money for improving the school both through increased community relations and improving buildings and resources. All parents/guardians of pupils currently attending St Ninnidh's Primary School are members of the PFG.

St Ninnidh's PFG sincerely thanks all parents/guardians, families, teachers, staff and the wider community who so generously gave their time, talents and good will to our events over the past academic year. The PFG wishes to express our gratitude to Mr. Kenny Kerins, Principal, who worked tirelessly throughout the year.

We are very proud of our school and the enormous efforts of those who go above and beyond in supporting PFG events for the betterment of our childrens' educational journeys.

The PFG committee wishes to acknowledge the enormous contribution of previous committees and parents in the establishment and running of the PFG.

This incorporates money raised by the phenomenally successful LipSync Battle held in April 2023 and Slieve Rusheen Grant secured by the PFG Committee in 2023. The planning application for our 3G facility is currently with Fermanagh & Omagh District Council, once this is complete the project will move onto the procurement stage.

Outgoings

Health and safety assessment £480.00

Occupational Therapist assessment £120.00

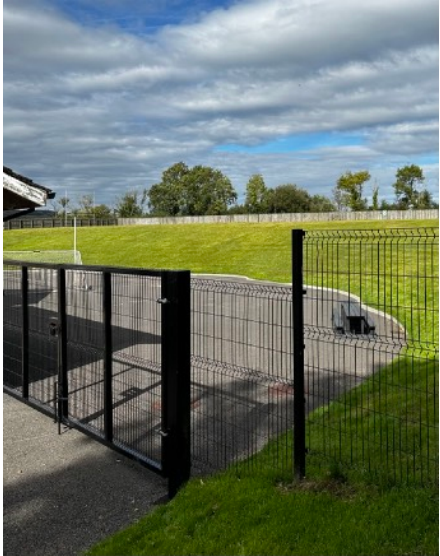

Supplies for building outdoor classroom €873.00

Ecological appraisal for planning application €799.50

We wish to acknowledge St Ninnidh's School Garden sponsors - Encirc. It is such a bright and cheerful space!

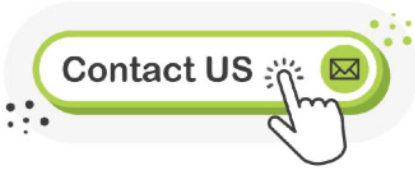

Work began in April 2024 on the school front yard to remove uneven paving which was a trip and fall hazard. In addition, a series of gates and fences were installed to provide more security when people are entering or exiting the school grounds.

Enormous gratitude to Con D'Arcy, Ronan Martin and Eoin Murphy for their time and talents creating the outdoor classroom. What a beautiful space in which children can play and learn for many years to come.
