Our PTA is run by a group of volunteer parents and staff to organise social events that develop and strengthen home to school relationships. We organise fundraising events throughout the year to allow us to purchase educational resources for our pupils.

Our purpose is to enhance the facilities at our school to benefit the pupils and in turn to benefit the wider community.

Our main activities for this year have been fundraising events which include, movie and munch nights in the school, a Christmas disco, an Easter and a Christmas hamper raffle along with smaller fundraisers split the cauldron and split the sleigh and finishing off with our Summer Fair.

All of our fundraising activities were well attended and supported.

Our main goal was to support students, parents and teachers with additional educational tools to further enhance the teaching program.

We raised funds for interactive whiteboards, secured funding for laptops, renewed our Accelerated Reading (AR) programme, invested in a Track It programme to support well-being for all pupils and sponsored the leavers hoodies for the P7 pupils.

As a special treat, we arranged a picnic in the school along with a visit from the ice-cream van to celebrate the Kings Coronation.

We commence the current financial period 2023/2024 with a balance of £3,624.
