

Christian Family Centre (Namibia)

Trustees Report 2023-2024

Throughout another year the Trustees are pleased to report that the charity has funded and provided pastoral care and life skills at a residential and training centre in Namibia.

Through the auspices of the charity those who were previously poor (or even destitute) have become self-sufficient.

There is now a plan being formed to support the development of a site in Ondangwa (Northern Namibia) under the management of indigenous Namibians. Agriculture and horticulture schemes are being planned for implementation.
