Overview

The charity has had a busy successful year, we remain indebted to our funders who have enabled us to carry out numerous activities.

A few examples:

Easter trip to Streamvale

Easter egg hunt

2 week Summer Scheme

Dublin zoo trip

Emerald park trip

Jungle ni Christmas trip

Christmas dinner dance

We have also held many classes throughout the year for both adults and children.

Neighbours United are operating solely on time provided by volunteers. Our volunteers are key to everything we do without them selflessly giving their time we simply couldn't continue
