## TRUSTEES' REPORT

### *FOR THE YEAR ENDED 31 MAY 2025*

---

The trustees present their annual report and financial statements for the year ended 31 May 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Spartans FC (Youth) ('the club') is a charitable unincorporated association. Our purposes, as recorded in our constitution, are to advance the education of school age children in the Edinburgh area through providing and organising facilities and coaching to play association football or other games and sports and to provide and maintain equipment to carry out these objectives.

#### **Objectives and activities**

Our aim is that regular donation income covers the following areas of expenditure:- pitch hire (training and matches), playing kit, team expenses (such as referees, league registration fees, player insurance etc) replacement of equipment (goals, balls, nets, bibs, cones etc) and other general club expenses (insurance, admin costs, coach development etc).

#### **Achievements and performance**

The membership of Spartans FC (Youth) remains strong with over 465 boys and 135 girls training twice a week in a safe and fun environment. The boys section consists of 6 small sided squads of approximately 40 boys from U6 to U12, and 17 11 aside squads from U13 to U18.

The girls section consists of the Next Generation Programme and our regional squads. The Next Generation Programme consists of the three squads at U13, U15 and U17, the criteria to be accepted in the nationwide programme is set and monitored by the SFA. The NGP key requirements for each squad is to train three times a week, perform 2 strength and conditioning sessions a week, and head coaches must be UEFA B qualified.

The club has over 100 volunteers who provide a minimum of 3 hours per week unpaid. In addition, the volunteers attend various types of courses so that the club maintain a high standard of coaching and developing our children in a positive and encouraging environment. Consequently the club maintain their Community Legacy Quality mark.

Each age group has their own restricted fund, the level of activity is dependant on the enthusiasm of the coaches and parents. This financial year 3 squads travelled overseas to play in competitions.

#### **Financial review**

The club made a deficit of £14,988 on unrestricted funds for the year ended 31 May 2025 compared to a surplus of £67,541 in 2024. In total the club made a net deficit of £11,085 in 2025, compared with a net surplus of £59,305 in 2024. This was principally due to an increase of £69,053 spent on stripes and equipment, split £36,000 on replacement of match kit for all teams within unrestricted funds and teams spending restricted funds of £33,000 on training kit.

Income for 2025 was £424,053 an increase of £13,475 from 2024. Subscriptions income decreased by £908 to £265,115 in 2025. Donation and sponsorship income decreased by £1,123, and other funding raising activities increased by £15,756.

Total costs increased in 2025 by £83,865 to £435,138. Spend on stripes and equipment increased by £69,053 as stated above. Staff costs increased by £12,536 reflecting an increase in headcount and the minimum wage. Pitch costs increased by £24,572 due to higher rental costs and increased usage. These were offset by a reduction in team expenses of £30,812 principally due to teams spending less of their restricted funds on overseas trips and additional activities for their squads.

The restricted funds in 2025 increased by £3,903 to £54,118. In 2025 teams raised £104,781 from a mix of fundraising activities and sponsorship, and spent £78,238 on team activities and £60,202 on training kit. Team activities vary from organising overseas trips to football tournaments, additional training/educational sessions, football festivals, team building activities, and end of season prizes/trophies.

The unrestricted funds in 2025 decreased by £14,988 to £123,819.

We aim to create a development fund in the future for any surplus generated on an annual basis.

#### **Reserves policy**

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

#### **Structure, governance and management**

Spartans FC (Youth) ('the club') is a charitable unincorporated association.

#### **Recruitment and appointment of trustees**

The association is administered by its Board of Trustees. The Trustees of the Club are appointed by members at our Annual General Meeting. The trustees meet quarterly throughout the year.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

### Statement of Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SPARTANS FC YOUTH

---

I report on the financial statements of the charity for the year ended 31 May 2025, which are set out on pages 7 to 18.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investments (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

### **Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - (ii) to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 MAY 2025

---

#### 1 Accounting policies

##### Charity information

Spartans FC Youth is a unincorporated charity. The principal address is c/o 21 Lennel Avenue, Edinburgh, EH12 6DW.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the next 12 months. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
